

Join Us & Share Your Voice! Visit the Liberty Bell Trail Feasibility Study Table at a local fall event!

Come out & share your feedback with municipal officials & trail planners on what the Liberty Bell Trail could look like in YOUR community!

The eight municipalities of Telford Borough, Souderton Borough, and Franconia Township, Hatfield Borough, Hatfield Township, Upper Gwynedd Township, Lansdale Borough, and North Wales Borough are partnering with the PA Environmental Council (PEC), consultant Michael Baker International, and the Partnership TMA to conduct a trail feasibility study for the development and expansion of the Liberty Bell Trail.

Come visit the Liberty Bell Trail Feasibility Study Table at one of these local fall events and share your thoughts on what the trail could look like in your community!
